

Central Alabama Veterans Health Care System

MONTGOMERY HEALTH CARE CENTER

Central Alabama Veterans Health Care System MONTGOMERY HEALTH CARE CENTER

Central Alabama Veterans Health Care System has received authorization to procure a new leased outpatient clinic in Montgomery, Ala.

Detailed solicitation information will be available at: www.fedbizopps.gov

Central Alabama Veterans Health Care System MONTGOMERY HEALTH CARE CENTER

This project follows a two-step acquisition process where VA competitively selects a site and then competitively selects a developer to purchase the site, build the facility, and lease it back to VA.

Prospective land owners within the delineated area and prospective developers are encouraged to participate in this full and open competitive procurement.
